• Height 5.90 inches • Zinc alloy • Made in RPC
• Unleaded painting • This product is not a toy
• Keep out of the reach of children

Merci Gustave

Creative Eiffel Towers for your Home Decor

Merci Gustave is a French company that creates beautiful Eiffel tower replicas. It is named after the French engineer Gustave Eiffel who designed the Eiffel Tower in 1889. Those large replicas (more than 12 inches) are nicely decorated and unlike your traditional Eiffel Tower replicas. If you like creative home decor, check out the American flag or the Valentine models. The black replica is more traditional and will easily fit with any home decor. All are great ideas if you are looking for a unique French gift or souvenir.

에펠탑보다 아름다운 에펠탑을 선보이고 있는 MERCI GUSTAVE! TOWERS!
미국의 상징 자유의 여신상 MISS LIBERTY 두 가지 라인으로 구성되는 MERCI GUSTAVE는
예술의 본고장 프랑스의 Nathalie Leret와 Yves Castelain가 설립하였으며 유럽내의
다양한 디자이너들과 콜라보레이션을 통해 컬러풀하고 워트있는 30여종의 다양한 에펠탑 작품을 선보이고 있다.
프랑스에서 열린 전시회에는 사넬의 수석 디자이너 칼 라거펠트가 참석, 그 아름다움에 극찬하여 유명세를 타기도 했다.
특히, 각 국가를 에펠탑에 적용한 FROGGY, 키스 마크를 적용한 CRAZY KISS 등이 인기 물이 중이다.
